

January Business Networking Mixer

Thank you to all who attended our first Business Networking Mixer of 2020. Hosted by the Petroleum Club of Bakersfield, our guests were treated to spectacular views of the city to inspire greatness for the new year and decade. We are grateful to have KCHCC Chairman Ken Ouellette (Advanced Beverage) and KCHCC

Business Education Foundation Chair Woman Cecilia Tomono (Adventist Health, Bakersfield & Tehachapi) leading the charge this year. We look forward to many more great events in 2020.
